

POLARIS PROJECT
FOR A WORLD WITHOUT SLAVERY

HELP US

Free the slaves.

There is no one consistent face of a trafficking victim. Trafficked persons can be rich or poor, men or women, adults or children, and foreign nationals or US citizens.

Cases of human trafficking have been reported in all fifty states of the United States.

Together, we can help prevent this crime.

Join Livefit in association with the Petit Family Foundation in supporting the Polaris Project to end human trafficking.

On July 8, Livefit will

be hosting the PGA- CT sanctioned Livefit Pro-Scratch Invitational Golf Tournament for the benefit of the Polaris Project at the Country Club of Farmington CT.

Located at 806 Farmington Avenue, Farmington, CT

Polaris Project is committed to combating human trafficking and modern-day slavery, and to strengthening the anti-trafficking movement through a comprehensive approach. By successfully pushing for stronger federal and state laws, operating the National Human Trafficking Resource Center hotline (1-888-373-7888), conducting trainings, and providing vital services to victims of trafficking, Polaris Project creates long-term solutions that move our society closer to a world without slavery.
